The maze puzzle consists of four starting points at the top, each with a person's illustration: a woman with curly hair and glasses, a boy, a girl with pigtails, and a man with glasses and a bow tie. From each person, a dotted line path winds through the maze to a specific animal at the bottom: a goldfish in a bowl, a rabbit, a sheep, and a parrot. The paths are: the woman connects to the goldfish, the boy connects to the rabbit, the girl connects to the sheep, and the man connects to the parrot.
